OK thanks Adam – But I would really like to send it by about 4:15 when I get out of my last meeting because I have a few things stacking up now. Is that doable? Also, please clarify for anyone else reviewing this that we need to go fast on this one and there are reasons why some of the language is presented in certain ways, etc. Thanks!

Lilian, I've completed my review but due to CRFLO's process I need to have Julia take a second look.

I have revised the draft informal resolution contrasting the language and from other similar draft agreements. (Please review as I reviewed and edited this revision under slightly hindered conditions.)
